

# EAST YORKSHIRE COAST

*Autumn Migration, Seabirds & Waders*  
*“In Comfort & Style”* September 14-18

## Birding Areas & Highlights

Enjoy stunning coastal scenery & driving through the rolling Yorkshire Wolds which stretch from the banks of the River Humber to the dramatic cliffs of Flamborough Head.

From migrant waders inc. Spotted Redshank, Green Sandpiper & Ruff at the RSPB Blacktoft Sands Reserve to exciting visible migration of passerines at the unique peninsular of land forming Spurn Point, along with thousands of Knot, Curlew, Golden & Grey Plovers on the Humber Estuary.

Cruise aboard the *Yorkshire Belle* from Bridlington in search of seabirds especially terns, Guillemots, Arctic, Great & Pomarine Skuas, Balearic & Sooty Shearwaters. Nearby Bempton Cliffs host the spectacular Gannetry, the only one in England, whilst the adjacent promontaries of Flamborough Head & Filey Brigg attract autumnal migrants, especially warblers, chats & flycatchers, pipits & wagtails, with rarities an annual feature at these migrants “hot spots”.

## Accommodation & Itinerary

Situated in the heart of The Wolds just outside Wold Newton lies the very attractive *Wold Cottage*. Originally a Georgian country retreat, with unspoilt views over 300 acres of farmland, the property offers six bedrooms all beautifully furnished, with meals served in the elegant dining room overlooking the garden.

Food is important, with the emphasis on locally sourced ingredients, with much of the produce grown in the Cottage garden.

Perfectly situated to explore the birding areas mentioned with the nearby famous Monolith at Rudston and York just forty-five minutes drive away.
