Forthcoming Tour to... CAPE TOWN + LESOTHO October 5-17 2019

It is just timing, but in October Elizabeth & myself go to Cape Town & Lesotho to set up the Tour – which will be **AFTER** sending out our *Island Ventures Update*. Therefore I am just writing a few words about the Tour in advance.

Proposed dates - October 5-17 2019.

This will be confirmed as soon as we return, with dates only likely to change by a day or two.

Accommodation

We are proposing to use the **Wedgeview Country House & Spa** in the Stellenbosch region, plus **Maliba Lodge** in Lesotho.

Proposed Itinerary

Flying to **Cape Town** (via J/burg), then back up to J/burg and over to **Maseru** (the capital of Lesotho), before returning to the UK. The actual itinerary is yet to be finalised, but for the Cape Town area we plan to visit **Stellenbosch Winelands, Hermanus** (for whale-watching), **Shaw's Mountain Pass/Stanford** (to seek out the Blue Cranes), Boat trip around the **Victoria & Albert Waterfront, Table Mountain, Robben Island, Cape Point & Boulders Beach** (for the African Penguins), **Langabaan** & the beautiful **Kirstenboch Gardens**.

In **Lesotho** we shall relax at the fabulous **Maliba Lodge** situated within the **Tsehlanyane NP**, enjoying some local walking & excursions for birds & wildlife within the stunning mountain scenery.

Upon our return to the UK, we shall be sending out FULL DETAILS TO ALL THOSE INTERESTED IN JOINING THE TOUR.

Should you be interested (and have NOT already informed us), then please contact Sarah accordingly.

We propose a maximum of twelve guests plus Elizabeth & myself. As usual, bookings will be on a "First Come, First served basis".
